- Crop large layer of Blackberry Bliss with the detailed die, set aside.
- Ink large main image in Memento and stamp of layer of white multiple times so you get four sets of lowers and two sets of leaves. (if it's easier, ink each end of the stamp separately to save space on the white layer)
- Color the flowers and leaves with the blends, crop with coordinating die.
- Arrange the flowers and leaves on the left edge of the Blackberry layer and trim off the excess, add to the card with dimensionals.
- Ink sentiment in Blackberry Bliss and stamp on scrap of white, crop with largest banner die towards the right. Tuck under the images on the front of the card.
- Use the dark Blackberry Bliss Blend to color 12" of ribbon. Tie in a bow and add to the card with a Mini Glue Dot.
- Add rhinestones to the centers of the flowers and a few others as desired.
